

Newsletter - November 2021

Topics of the Month

This month we are going to learn about living and non-living things. If you have any picture books related to our topic, please encourage your child to bring it on Friday for the Show and Tell activity. Also, in November, we will make red poppies and help our children to have a better understanding of what Remembrance Day is.

Parent Teacher Conferences

For everybody's safety, the Parent Observations and in-person Conferences are canceled again this year.

This year's first Parent Teacher Conferences will be over the phone, and they are scheduled for **Friday November 26**. Each conference will be **10 minutes** in length, but we will be scheduling them at 15 minutes intervals to provide time for transitioning. Please make sure you end the meeting when your time is finished. Spending some time thinking about the below questions in advance will help to focus the conference and make it more informative for you and the teacher.

The schedule will be posted on the school door starting November 9th. Please sign up with your child's name and mention who we should call (mom, dad).

Here are some questions that may be useful in preparing for our conference.

1. What are your expectations for this year at school?
2. What works, what does not work with your child in terms of expectations, limits, behaviour?

Fall/Winter Months

As we prepare for the cold months ahead, we would like to remind parents to dress their child appropriately for the outdoors (winter jackets, boots, mittens, scarves). Keep in mind that wearing too many clothes may be uncomfortable for your child while working in the classroom.

Reminders

- Thursday, November 11th Remembrance Day – no school.
- No school on Friday, November 26, Parent – Teacher Conferences and Professional Day

Sincerely,
Ms.Farah, Ms.Josie, and Ms. Sahar
