

Newsletter December 2021

Dear Parents:

Season's greetings to everyone! It is hard to believe that we are coming to the end of another year. In 2021, we all had to adapt to new uncertainties and many challenges. We are very thankful for the support, trust and understanding shown by our parents as we navigate through these difficult times. Amidst all these we saw a continuous growth in our children.

December is already here, and we are looking forward to a great month filled with lots of exciting activities. Our theme this month will be winter and Christmas. We will be talking about this festive season, decorating our Christmas tree and the classroom, singing lots of songs and doing art projects related to the theme.

Please note that our Christmas Concert will not take place this year because of the prevailing situation. Right now, keeping safe is our priority.

Eventhough we cannot invite the parents into our classroom, children are singing Christmas carols and we are planning to share this with all the parents through social media. We will let you know more details closer to the date.
