

Newsletter - February 2022

Dear Parents,

After one month into the New Year, we are happy to say that the children have settled in very well. As always, our parents have been very supportive. Thank you! We were able to maintain a safe and healthy environment and continue with our Montessori curriculum, so that the children get the full benefit of our program.

Let's hope for more sunshine during this month so that our children could enjoy the outside playground more often.

We would like to welcome Ms. Rebecca who will be joining our team from February. Ms. Simrat will be away for 2 months visiting her family. She will be back in April.

February Celebrations.

Valentine's Day – 14th February

We will be celebrating Valentine's Day in our environment with Arts, crafts and songs relating to the theme. Children can share and exchange Valentine cards, greetings with their friends if they like.

Please note that **we will not be sharing food** during these events as we want all of us to be safe.

Topics of the month

We will continue with our study of Arctic Animals and hibernation.

Reminders!!!

* Since the weather is unpredictable, please ensure that your child comes dressed appropriately, in a winter jacket, gloves, boots, and hats. We do take the children to play every day in the morning and the afternoon. Outdoor play is very important to their physical and emotional growth and the children love it. Also remember, your child will enjoy it more if he/she is dressed appropriately.....

* If your child is not attending school, please call the school before 9.00 am on that day.

* Please make every attempt to drop off your child daily by 9.00 am. It is very disruptive to the rest of the class as the children who are working get easily distracted by the late arrival of their friends. We are working hard to achieve certain goals with your child and punctuality sets a very good and important example for them.

* We are still missing **Earthquake Kits** for many children. Please make this a priority and hand them over as soon as possible.

***School Clothing** – Children should wear comfortable and appropriate clothing. In order to foster independence, please make sure that the clothes are easy for the child to manage, when your child has to use the washroom, get ready to go outside etc.

* Please label all your child's belongings with the name. if you do so it is easy for us to locate an item if they happen, to go missing.

*If your child is not feeling well, it would be best to keep him/her at home. Monitor your child's symptoms and take appropriate measures in order to stay safe.

***Please read the notices posted on the door. They are very important.**

Monday, February 21st – BC Family Day. **No School.**

Birthdays

Happy Birthday to:

Jonah who will be celebrating his Birthday in February.

Sincerely,

Class #1: Ms.Shvetha, Ms.Michelle

Class #2: Ms.Ambreen, Ms.Simrat, Ms.Rebecca.
