

Newsletter March 2022

Topic of the Month

Winter is slowly fading away and spring is on its way. We can see many snowdrops, daffodils and other flowers have poked their sleeping heads through the soil in front of the school. Therefore, in March we will be talking about changes spring brings into nature. Our children are also going to learn about birds and the meaning of St. Patrick's Day.

Picture Day

We are trying to book our picture day for the end of April or beginning of May. Once we know the date, we will let you know.

Reminders

- No school for children on Friday, March 25 – professional day
- Please keep the child home if he is not feeling well and monitor the symptoms.
- Drop off time should not be later than 9:00 – 9:10 am.
- Send us an email to burnaby@brightstarmontessori.ca to report an absence, a late drop off, an earlier pick up, or if there is anything you want to inform us about. The days are quite busy here and we may not be able to pick up the phone all the time or check the voice mail for a few hours.

Sincerely,

Ms. Farah, Ms. Josie, and Ms. Shukria
