

Newsletter March 2022

Dear Parents:

Spring is almost here, and we are looking forward to a great month filled with lots of exciting activities. With more sunlight hours and warm days, hopefully we will be able to say goodbye to the rainy days and enjoy more outdoor time!

Topics of the Month

As we continue with our Montessori Curriculum, it is rewarding to see children working independently, engaging in purposeful activities and learning at their own pace.

As spring unfolds, we will be discussing topics that are related to the season such as weather, outdoor activities, nature and the changes that take place in nature.

We will also begin our study in Geography with the continents of the world.

Reminders

- Please keep us updated about any changes in your address, home/cell phone number, emergency contact persons and the list of people authorized to pick up your child from school. These are very important information that we need to have on file.
- Dress your child appropriately. The weather is very unpredictable, so make sure your child has gloves, hat, boots for outdoor play. Keep in mind that we do take them out to play every day.
- Please make every effort to drop off your child **daily latest by 9.00am**. It is very disruptive for the rest of the class as the children who are working get distracted by the late arrival of their friends. We are working hard to achieve certain goals with your child and punctuality sets a very good and important example for them.

- Please label all your child's belongings: bag, water bottle, lunch containers, jacket etc..
- Parents can view the monthly Newsletters and the School Calendar on our website www.brightstarmontessori.ca.

Birthdays

Happy Birthday to:

Sofia, Tashi

who will be celebrating their Birthdays in the month of March.

Sincerely,

Class#1: Ms.Shvetha, Ms.Michelle

Class#2: Ms.Ambreen, Ms.Simrat, Ms.Rebecca
