

Newsletter May 2022

Dear Parents,

We would like to thank all parents who took the time to observe their children at work and attend the parent teacher conferences. This was a great opportunity to touch base, discuss any concerns, find solutions, so that we can work together in helping your child. We value your feedback and suggestions.

April was a busy month that went by so fast. We had a great time filled with education and fun. It is amazing to see how our children have grown over the years in all areas. Their progress is our reward!

MAY CALENDAR

Mother's Day.

We are planning something special for Mother's Day and will share this with you through social media. Children are busy making a special craft for their moms.

Victoria Day – Monday, 23rd May - No School.

Professional Day – Monday, 30th May – No School.

TOPIC OF THE MONTH

After a long wait spring is finally here. Days are getting warmer and trees are beginning to bloom. We also see the birds coming out one by one looking for food and soon they will start nesting. We also hear them chirping their songs. This is a great time to study birds. We will be talking about their characteristics, how they differ from other animals and the different birds found in Canada. We will also learn about the life cycle and parts of a bird. We encourage parents to send books relating to this theme to share with the class.

REGISTRATION FOR SEPTEMBER 2022

Parents who are still deciding what to do for the next school year are encouraged to do so soon. We are now accepting outside applicants and would be sorry to see you lose the opportunity. Please act soon to avoid being disappointed by not getting the space of your choice.

SUMMER PROGRAM

During the months of July and August we offer a theme based, fun filled Summer Program. Montessori curriculum will also run parallel to the summer activities. This is a good opportunity for the children who are leaving for kindergarten to keep in touch with the academics.

Preschoolers who are planning to join our summer program please let us know now, as spaces are getting filled up.

Happy Birthday to Max, Neil, Quincy and Crystal who will be celebrating their birthdays in May.

Sincerely,

Class #1: Ms.Shvetha, Ms.Michelle, Ms.Kieshia

Class #2: Ms.Ambreen, Ms.Simrat.
