June 2022 Qualicum Beach Newsletter

Dear parents,

Summer is just around the corner and with this we are hoping for some more sunny days. Please send a labeled sun hat and sunscreen for your child to keep at school. We will be applying sunscreen before any outdoor play. Please be aware that as the heat does increase, please dress your child appropriately for the ever-changing weather.

June

In June we will be celebrating Father's Day on June 16th with a Father's Day dance in our second classroom. Please arrive around 2:45pm for this event. We will have a table set up with some snacks and water bottles for refreshment.

Wednesday June 29th will be having our graduation ceremony in the gym. If your child will be graduating, please arrive around 2:15pm for a 2:30pm start. Parents and grandparents' welcome.

With the school year coming to an end, we will be sending home all your child's work over the year. Please do not leave before collecting all of their hard work. If you will be away at any point over the summer, please let us know so we can plan accordingly.

May

In May we continued our letter works with the letters T, U, and V. We spoke lots about all the different types of trees we see around us. Many children brought in show and tell items from nature ranging from driftwood to bird nest and eggs. The children love sharing with their friends about what they have learnt about their show and tell.

On May 18th we had our class photo day which went amazingly, and we can't wait to see all the beautiful photos. When they arrive at the school, we will send them home with your child and you can order online which photos you would like.

We hope that those who were able to come to school for child observations enjoyed the view into their child's world at school. The children have been working very hard and impress us every day with their growth.
