

## Newsletter - November 2022

Dear Parents,

We would like to thank you for taking the time to attend the parent/teacher conference. The information you provided, and your suggestions are very valuable and helpful to us. If you feel it is necessary, please do not hesitate to talk to us about any questions or concerns you may have.

### **Topics of the Month**

Lest we forget. This month we will read some books about Remembrance Day. Children will make red poppies and talk about why we wear a poppy. We are also going to talk about animal classification. Vertebrate animals that are living in North America such as Grizzly bears are our focus study in November. We are going to learn what they do to prepare for winter. If you have any good picture books related to our topics at home, please encourage your child to share with us.

### **Fall/Winter Months**

As we prepare for the cold months ahead, we would like to remind parents to dress their child appropriately for the outdoors (winter jackets, boots, mittens, scarves). Keep in mind that wearing too many clothes may be uncomfortable for your child while working in the classroom.

### **Reminders**

Friday, November 11<sup>th</sup> Remembrance Day – no school.

Sincerely,

Ms. Feng, Ms. Joy, and Ms. Kavita
