

Newsletter - November 2022

Dear Parents,

We would like to thank you for taking the time to attend our fall parent/teacher conference. The information you provided, and your suggestions are very valuable and helpful to us. If you feel it is necessary, please do not hesitate to talk to us about any questions or concerns you may have.

Staff change

Sadly, we inform you that October 31 will be the last day having Ms. Josie in our school. She decided to take some time off from work for herself and her family. We were lucky to have her part of our team for the last 7 years. Her job position will be taken by Ms. Serena starting November 1 and she will be the teacher working the closing shift. Ms. Serena is holding an Early Childhood Diploma from Capilano University and she has 3 years of experience working in the childcare field. You will have an opportunity to meet her at the dismissal time on October 31 when she is coming to meet the children and teachers.

Topics of the Month

This month we are going to talk about feelings, the reactions they cause in our bodies, what calm down strategies we can use for a calm body and mind. If you have any picture books related to our topic, please encourage your child to bring it on Friday for the Show and Tell activity. Also, in November, we will make red poppies and help our children to have a better understanding of what Remembrance Day is.

Fall/Winter Months

As we prepare for the cold months ahead, we would like to remind parents to dress their child appropriately for the outdoors (winter jackets, boots, mittens, scarves). Keep in mind that wearing too many clothes may be uncomfortable for your child while working in the classroom.

Reminders

Friday, November 11th Remembrance Day – no school.

Sincerely,
Ms. Farah, Ms. Shukria, and Ms. Serena
