

## Newsletter February 2023

### **Topics for February**

February is a short month, but we still have a lot of learning opportunities. We are going to talk about Valentines' Day, Family Day, Pink Shirt Day, and Random Act of Kindness Day. We will focus on conversations about kindness and use all the opportunities to build knowledge and social skills during this month. If you have any children picture books to share with us, please encourage your children to take them to school for Show and Tell Activities.

### **Registration for 2023 - 2024**

We would like to inform you that you are invited to enroll your child for the next school year, 2023 - 2024. Please decide the type of program you would like to enroll your child in, fill out the enrollment form (see email attachments) and submit it via email or in a hard copy format. Switching programs during the school year will be difficult as we usually have a full class by the end of September – October. Even if returning children are always given priority, it is still important to fill out and submit the enrollment agreement form by Friday, February 24 so you can secure the spot for September 2023. After this date the spots will become available for the children from our waiting list.

The tuition fees will be increased starting from September 2023 with maximum 3% allowed by the CCRI program. The new fees will be reflected in the invoices created for 2023/2024 school year. The new enrollment will be active on TUIO account starting August 2023.

### **Siblings waitlist**

If you have a younger child and you are planning to enroll him in one of our programs, please submit the registration request form (available on our website) at least one year prior to the preferred starting date The spots for children under the age of 3 are limited to only 2 by licensing regulation and we already have requests for the next 2 years.
