

## Newsletter March 2023

Sadly, we inform you that February 28 will be the last day having Ms. Kavita in our school. She decided to take some time off from work for herself and her family and later to look for an ECE position in a childcare centre closer to her home. We were lucky to have her part of our team for the last 5 years. Her job position will be taken by Ms. Eunju starting March 1. Ms. Eunju is holding an Early Childhood Educator certificate and she has 2 years of experience working in the childcare field.

### **Topics of the Month**

With the arrival of spring, we are going to talk about the changing seasons. March can bring a range of weather conditions, from sunny and warm to cold and rainy. We will learn about different types of weather and how to stay safe and comfortable in different conditions. Also, we will celebrate St. Patrick's Day, learn about the symbols and stories associated with it.

### **Picture Day**

Picture day is booked for Friday, April 14. More information will be offered in the April newsletter.

### **Summer Program**

The school year will end in June for all our children, no matter the program they are enrolled in. Starting July 4, we will be offering an 8-week summer program. The registration forms will be provided next month, with the April newsletter. This year the spots are very limited, and they will be allocated on a first come, first-serve basis.

### **Reminders**

- No school for children on Friday, March 24 – professional day

Sincerely,

Ms. Feng, and Ms. Joy, and Ms. Eunju
