

## Newsletter March 2023

### **Topic of the Month**

Winter is slowly fading away and spring is on its way. We can see many snowdrops, daffodils and other flowers have poked their sleeping heads through the soil in front of the school. Therefore, in March we will be talking about changes spring brings into nature. Our children are also going to learn about the meaning of St. Patrick's Day and Ramadan.

### **Picture Day**

Picture day is booked for Friday, April 14. More information will be offered in the April newsletter.

### **Reminders**

- No school for children on Friday, March 24 – professional day
- Please keep your child home if he is not feeling well and monitor the symptoms.
- Drop off time should not be later than 9:10 am.
- Please do not allow your child to climb on the big rocks located by the entrance and then step on the area where flowers are growing, and garden decorations are placed. It's important to educate young children about respecting other people work and property.

Sincerely,  
Ms. Farah, Ms. Serena, and Ms. Shukria
