

## Newsletter January 2023

Dear Parents,

Welcome back! Hope you had a safe and enjoyable holiday season. We wish you all a New Year filled with happiness and prosperity. We are looking forward to a productive 2023 where we can work together to achieve our goals and make school a positive experience for our children.

We would like to express our sincere appreciation to all our parents for their support and encouragement during the past year. Thank you for your assistance and good wishes.

### **Topics of the month**

Topic for January Hibernation and Arctic Animals.

We would like to ask parents to send books or pictures relating to our themes to share with the class.

### **Reminders!!!**

\*As the weather is unpredictable, please ensure that your child comes dressed appropriately, including gloves, hats and boots for outdoor play.

\*If your child is not attending school, please call the school the night before or by 9 am on that day.

\*If your child is not feeling well, please keep him/her at home and let him/her rest to prevent the spread of viruses.

\*Please make every attempt to drop off your child daily by 9.00am. It is very disruptive to the rest of the class as the children who are working get easily distracted by the late

arrival of their friends. We are working hard to achieve certain goals with your child and punctuality sets a very good and important example for them.

**Important Dates.**

**Tuesday, 3<sup>rd</sup> January 2023** - School reopens after the winter break.

**Birthdays**

Happy Birthday to:

Zaara , Surafial, Sophia and Aiza

Who will be celebrating their birthdays in the month of January.

We look forward to yet another great year with many more wonderful experiences ahead of us.

Sincerely

Class#1: Ms.Shvetha, Ms.Michelle, Ms.Gurjit
