

April 2023 Newsletter

Topics of April

As we enter the month of April, we have exciting topics to explore with your children in our program. We will be learning about Easter, Earth Day, and preparing for Mother's Day concert. We will start off the month by learning about Easter traditions and the story of Easter. We will also discuss the importance of taking care of our planet and how we can protect it on Earth Day. Additionally, we will be practicing some songs to perform for Mother's Day concert. We hope your child will enjoy these topics and engage in learning and exploring through fun activities and songs. If you have any stories books, craft ideas related to our topic, please encourage your child to share them with us in Friday Show and Tell activity. We really appreciate your continued support and involvement in our program.

Parent-Teacher Conference

The second Parent Teacher Conference will be scheduled for **Friday, April 28 and it will in person**. The conferences will be **10 minutes** in length, but we will be scheduling them at 15 minutes intervals to provide time for transitioning. The **schedule will be posted on the school door starting April 17**. Please sign up with your child's name.

Picture Day

This year we will have our pictures taken on **Friday, April 14**. Children will have the opportunity to get the group picture and individual pictures as well. Please send your child dressed accordingly. If your child is not attending the school on Fridays, you are more than welcome to switch the days on that week. Or we can arrange to drop off your child just for the picture time. Please let us know.

School spare cloths

Please send a set of spare cloths for the warm weather (short sleeve t-shirt, pants/ shorts, underwear, socks) in a bag labeled with your child's name. Once we receive the new set, we will send home the one we have in school now.

Summer Program

The school year will end in June for all our children, no matter the program they are currently enrolled in. Starting July 4, we will offer an 8-week summer program. We strongly suggest you fill out the attached registration request form and submit it by April 14. The spots will be allocated based on the date the request was submitted.

Safety

Once the weather is getting warmer, more people will start to ride their bicycles/ scooters. Please make sure your child is walking with you once he leaves the school and not running into the sidewalk.

Reminders

1. No school on Friday, April 7 (Good Friday) and Monday, April 10 (Easter Monday)
2. Picture day – Friday April 14
3. No school on Friday, April 28 Conference Day

Sincerely,

Ms. Feng, Ms. Joy, Ms. Eunju, and Ms. Lisa
