

Newsletter April 2023

Dear Parents:

March has been a month of continued growth and learning. In the Montessori environment, children are free to work with the Montessori material at their own pace. This has helped them to gain confidence and succeed in their chosen work. We see them becoming more independent and working with great focus and concentration.

Important Dates in April

Easter Celebrations – Thursday, April 6th.

We will be celebrating Easter with songs, stories, arts and crafts. Children will also participate in an **Easter egg hunt**.

Friday, April 7th – No School – Good Friday.

Monday, April 10th – No School – Easter Monday.

Picture Day.

Wednesday, April 12th.

We are having our classroom and individual pictures taken during the month of April. Please be at the school on time if you don't want to miss this opportunity.

Topics of the Month

It is Spring now! We will be discussing the changes that take place in the environment during this season. We will also be spending more time outdoors as the weather gets better.
