

May 2023 QB - Newsletter

Dear QB Parents,

Spring is FINALLY in the air! With the warmer weather approaching please dress your child appropriately. We understand that the weather is changing daily but please do your best.

Reminders

We wanted to remind everyone that our classroom is a character free classroom, we have noticed a large increase in character clothing entering our classroom. We understand that the mornings can be busy but please try to keep character clothing for the weekends. Thank you!

Lateness

We understand that life can be very busy, and this can cause the occasional late drop off. We ask that if this may be the case, please reach out to us via our work phone to let us know. Our Montessori work period is between 8:30am – 11:30am, During this time the children are hard at work and late drop offs cause a disruption in their focus. The same is said for late pickups. Unfortunately, we are having to police late fees which can make things very uncomfortable. Our late fees are \$1 per minute, which must be paid at the time of pick up. If you are aware, you will be late for picking up a minimum of 1 day prior, please contact Miss Holly and she can talk with you about options to try to avoid a late fee. Thank you for your understanding.

Earth Day Field Trip

We wanted to thank everyone who came out to help us make our annual field trip happen. The children have been non-stop talking about the farm since we returned, and

it's been lovely hearing all their personal stories from the special day. Pictures will be posted on our Facebook page. Bright Star Montessori Qualicum Beach.

Show and Tell

We love our show and tell items which have been coming to school lately, thank you for keeping them to only items from nature. We ask that your child only bring an item once a week though to allow all the children a chance to share.

Upcoming important dates
