

## Parksville May 2023 Newsletter

Dear Parents,

It feels like spring has decided to grace us with her presence. We are grateful to have some warm weather so that we can enjoy the outdoors more and more.

The children have all grown and matured so much as many of them approach their kindergarten year. We have welcomed some new families and really appreciate the children being so great at helping new friends become used to the classroom routines. They truly are amazing.

In music we have been listening to the works of Wolfgang Amadeus Mozart. The children seem to really enjoy his compositions and some of the children have been enjoying some creative dance opportunities.

### **Thank you**

A Big thank you to all of our families who participated in our Earth Day Work Party. We are extremely grateful for all of the donations of time and resources. We welcome continued participation and involvement. The children seemed to enjoy all of the activities and our garden looks like it will be very productive.

### **Upcoming Dates**

Thursday, May 11- Mothers Day Tea 1pm Room 1, 2:30 Room 2  
Monday, May 22- Victoria Day- NO SCHOOL

### **Mothers Day Tea**

This year we will be hosting our Tea in our classrooms. We will have an RSVP sheet available shortly so we know how many guests will be able to join us.

### **New Staff**

As most of you know Miss Karen has started her maternity leave. We wish her all the best as she begins this next chapter with her family.

Starting May 1 we will be welcoming our new teacher. Her name is Ariel and she is looking forward to working with us and getting to know the childr

Warm weather sunscreen and hats

As the weather warms up we will be spending more time outdoors. Please ensure that your child brings a hat to school daily and that they have had sunscreen applied before they arrive. If your child is here for the extended day or full day program we ask that they bring sunscreen that can be applied in the afternoon.

It may also be helpful to dress your child in layers in case our afternoons are considerably warmer than our mornings.

#### Labeling clothing and personal items

Thank you to families for labeling personal items. We are doing our best to help the children keep track of their personal belongings but inevitably find items that are lost and unidentifiable.

In closing we would just like to say thanks again for all of the support of our families. Your children are highly valued and we appreciate sharing this time with them.

Sincerely,  
Miss Linda, Miss Juhee, Miss Rita, Miss Evgeniia and Miss Ariel
