Qualicum Beach - Newsletter

Dear QB Families,

We wanted to say thank you to all the mothers and grandmothers who were able to join us for our Mother's Day Tea! The children were so happy to be able to have you all at our school!

We are pleased to welcome Ms. Kirsti Ross, Ms. Mindy Cui and our lunch teacher Ms. Eva Galushka in our big Montessori family.

Over the course of May we spent time learning about the letters R, S, T and U. We explored the different bugs that live in the world around us. The children have been enjoying our bug hunts and sharing stories about the bugs they see at home!

Warm Weather

Just a reminder that as the weather warms up, we will be spending more time outdoors. Please ensure your child brings a hat to school daily. If you wish they can have a hat that stays at school instead of traveling back and forth. Please sunscreen your child before they arrive and we will reapply as needed.

June Topics

In the month of June, we will be exploring the continent of Africa! We will learn about the animals that call Africa home, the culture and the countries within Africa. We will also finish the alphabet learning V, W, X, Y and Z.

Graduation

On Wednesday June 28th all the children who are heading off to Kindergarten in the Fall are invited to participate in our graduation ceremony. Parents and guest of the graduates are asked to arrive just before 2:30pm so they can be seated before the ceremony begins.

Children who are not graduating will be spectators for the graduation and continue to have regular care provided. They can be picked up at their usual pick-up time.
