

June 2023 Newsletter

Topics

June is a month filled with special moments at our preschool. Our little ones will be immersed in learning about Canada, exploring its diverse culture. We will also read books about Father's Day to celebrate the amazing dads in our lives. And let's not forget our upcoming graduation celebration! Our preschoolers are learning delightful songs to make their graduation extra memorable. It's a month of joyful learning and heartfelt celebrations!

Graduation Ceremony

We are preparing to celebrate the children who are going to Kindergarten this September. On **Friday June 23 at 3:30 pm** we will be having a graduation ceremony only for these children. The details of the graduation ceremony will be provided later in another email. If you would like to take the gown home to wash (hand washing only) and iron it, please ask for one starting June 19.

Last day of school

The last day of school for all our children will be **Friday, June 30**.

Summer Program

All the children for whom a registration request form was submitted, are enrolled in the summer program. No school on **Monday July 3 (observing Canada Day)**. The school will re-open on **Tuesday, July 4** for the first day of the summer program.

Morning drops off

Children must be dropped off no later than 9:10. On hot days, children will be going outside early in the morning. **Once the class leaves the building, no one will be able to open the door and offer childcare during the time the teachers and children are outside.** You will have another opportunity to drop off your child at 11:30 if he is attending the full day program.

Deposit refund for children going to Kindergarten

The deposit you paid at the registration will be refunded through TUIO directly into the account you linked as method of payment, on the last month of attendance. Please check your TUIO account close to that date and let us know if there is any issue or you have any questions.

Getting ready for the summer days

We ask that children come with **sunscreen ON before arriving to school** on the days you consider the skin protection is needed. We will be reapplying the sunscreen in the afternoon with the child's sunscreen only for the children who are staying the whole day. **Please also make sure that your child has the appropriate shoe wear and clothing for the warmer weather.** We recommend avoiding sending children wearing open-toe shoes. Crocs are a good choice for the summer weather.

New School Year

We would like to remind all parents whose children will be returning for the new school year that school will start again on **Tuesday, September 5, after Labor Day.** We look forward to seeing everyone again, rested, refreshed, and energized for another exciting year in September.

As for the children who will be leaving our school, we would like to take the time to thank you for being part of Bright Star Montessori School. We wish you all the best in your future, and good luck in your new school.

Have a great summer!

Ms. Feng, Ms. Joy, and Ms. Eunju
