

Newsletter - November 2023

Dear Parents,

Conference Day Friday, November 3. Please ask for the sign-up sheet if you did not have the opportunity to book a time for the meeting with the teaches. No school for children.

Topics of the Month

As we enter the month of November, we're excited to embark on a diverse range of themes with your little ones at preschool. This month, we'll be exploring 'hibernation,' where we'll learn how some animals take long winter naps, 'migration,' where we'll discover the movement of animals and people, 'peace,' a beautiful concept of harmony and unity, and 'Remembrance Day,' a special time to honor heroes who have protected our country. We encourage you to support your child's learning by bringing in related items like picture books about hibernating animals, objects symbolizing migration, peace symbols, and poppy flowers for Remembrance Day. Additionally, your children can bring their favorite stuffed toy representing a hibernating animal, a migrating creature, or a symbol of peace. Let's make November a month of exploration, understanding, and remembrance during our Friday show and tell activities. Thank you for your involvement in making our preschool experience enriching and educational.

Fall/Winter Months

As we prepare for the cold months ahead, we would like to remind parents to dress their child appropriately for the outdoors (winter jackets, boots, mittens, scarves). Keep in mind that wearing too many clothes may be uncomfortable for your child while working in the classroom.

Reminders

Monday, November 13th Remembrance Day – no school.

Sincerely,

Ms. Feng, Ms. Joy, and Ms. Lisa
