

December 2023

Newsletter

Dear Parents and Guardians,

Here we are into the last month of 2023. The students have had a couple months to get accustomed to the routines of the classroom and have forged some new friendships along the way. There's lots of excitement every day as we greet our friends at the door and love and hugs are shared. In the months to come, we will be saying hello to even more new friends, which is a wonderful thought.

November was another busy month where we continued to focus on our academic learning along with some songs, art, and stories. We talked a lot about the numbers 1-5 as well as shapes and colours. We made some amazing fall art for our windows and have shown big improvements in our abilities to colour pictures and to sometimes cut them out. The students have helped to decorate the classroom for the holiday season, and there's a great deal of magic in the air. We have already begun practicing our songs for the upcoming Christmas Show, and it's now just a matter of learning how to stand nicely in our line in order to put on a great performance for you all.

We will have another field trip(to the other side of our building) to visit Miss Juliet at Pacific Care Family Enrichment Society, on November 30th, where we will do some Christmas-related activities with her.

Christmas Show

On December 21st at 2:30pm, we welcome all our students' parents and grandparents to join us for our Christmas performance. The children will sing some songs, and we will provide some refreshments for everyone to snack on afterwards. Our show will take place in the empty classroom across the hall from our class, so there isn't a huge amount of space but enough to invite 2-3 guests per student. We look forward to seeing you all there! **Children can leave school with their parents after the show has ended.**

Upcoming Important Dates:

December 21st-Christmas Show at 2:30pm

December 22nd-last day of school before Christmas break-dismissal is at 3:30pm

December 25th-January 3rd-NO SCHOOL

January 4th-First day back at school

We look forward to the next month of learning and friendship.

Sincerely,

Bright Star Montessori - Qualicum Beach
