

Newsletter February 2024

Topics for February

In February, our program is set for an exciting exploration of diverse themes. We'll dive into the cultural festivities of Lunar New Year, engaging the children in activities that celebrate different traditions. Valentine's Day will bring out creativity as the little ones express affection through crafts and heartfelt projects. We're also marking Groundhog Day, BC Family Day, highlighting the significance of family bonds with collaborative activities that strengthen our sense of community and Pink Shirt Day to create a more kind, inclusive world. This month we are planning to have a lively and educational experience for our preschoolers as they learn, create, and embrace the festive spirit of these special occasions.

Lunar New Year celebration

We are going to celebrate the Lunar New Year on Monday, February 12. We would love to see children and teachers wearing red or traditional costumes. If you would like to send some traditional snacks to share on that day, please remember that we are a nut free environment.

Registration for 2024 - 2025

We would like to inform you that, if you are satisfied with the level of care and education your child receives, you are invited to enroll your child for the next school year, 2024 - 2025. Please decide the type of program you would like to enroll your child in, fill out the enrollment form (see email attachments) and submit it via email or in a hard copy format. Limited spots for the extended day and extended with before and after school program!!! Switching programs

during the school year will be difficult as we usually have a full class by the end of September – October. Even if returning children are always given priority, it is still important to fill out and submit the enrollment agreement form by Friday, February 23 so you can secure the spot for September 2024. After this date the spots will become available for the children from our waiting list.

The new enrollment will be active on TUIO account in August 2023.

Siblings waitlist

If you have a younger child and you are planning to enroll him in one of our programs, please submit the registration request form (available on our website) at least one year prior to the preferred starting date The spots for children under the age of 3 are limited to only 2 by licensing regulation and we already have requests for the next 2 years.
