

January 2024 Newsletter

Dear Parents,

Wishing you and yours a safe, healthy, and prosperous new year! Thank you for all your good wishes and Christmas gifts that we received before the winter break. We hope that you had restful and enjoyable holidays.

Topics for January

We start back to school after the excitement of holidays break. It's a great time to think and explore winter. We are going to talk about the calendar, the weather, and the animals that hibernate. If you have any children's picture books related to our January topics, please encourage your children to bring them to school on Fridays for the Show and Tell Activity.

New staff

Unfortunately, the day after the December newsletter was sent, Ms. Rania decided to quit the job to focus on continuing her education. We were able to interview a few candidates and decided to hire Ms. Sapi for the extra staff position. She is certified as an Early Childhood Educator Assistant, and she has experience working in the childcare field. Ms. Sapi is currently enrolled in the Early Childhood Education program and will do her practicum while working as extra staff. She will be helping in both rooms as she is not part of the teachers – children ratio and be the substitute teacher when needed.

Reminders

- We recommend dressing up your children properly with winter jacket, scarf, hat, mittens, boots etc.
- Please keep children at home if they display any cold/ flu/ covid-19 symptoms until they improve and no fever for at least 24 hours without any medication administered to keep the fever low.
- By the end of February, all parents will receive via email the receipts for last year (2023) tuition fees.
- Registration process for 2024/2025 school year for our existing children and siblings from our waitlist will start in February.
- Do not hesitate to contact the teachers if you have some concerns or other issues in regards of your child. Teachers will be more than happy to help you on your prearranged appointment (in person or over the phone).
