

January 2024

Newsletter

Dear Parents and Guardians,

Happy New Year to all of our students and their families! We hope you have all had a wonderful Christmas break, so far, and are ready to ring in 2024 with excitement and hope for what the New Year may bring.

The month of December flew by in a blur of decorating for Christmas, lots of arts and crafts and time spent practicing the songs for our Christmas Show. It was great to see everyone turn out for our concert, and we were so impressed that all of our students were able to stand confidently and perform the songs and accompanying actions in front of an audience! They did an amazing job, and we hope they felt proud of themselves as we certainly were impressed by them. If you have any photos/videos from the concert that you would like to share with us, we would love to see them! Our potluck lunch the next day was a huge success, and we're incredibly grateful to our students' families for sending all that yummy food to the school. The children had a great time sharing food with one another and getting in the Christmas spirit.

Our school will welcome two new students, in January, who we are sure will be great additions to our classroom community. It will be exciting for everyone to have some new friends to play and learn with. Our students have created a close-knit community amongst themselves, and they will surely make our new friends feel right at home.

Upcoming Important Dates:

January 4th - the first day back to school after the Christmas break

We look forward to the next month of learning and friendship. We will continue learning about the alphabet and numbers, along with some lessons on continents and different cultures. We are always learning about kindness and how to treat people and other living creatures. We will specifically be learning about ocean animals in the next month. Thank you for the continued support of your child's learning journey.

Sincerely,

Bright Star Montessori - Qualicum Beach
