

## April 2024 Newsletter

### Topics of April

As we welcome the beautiful season of spring, we'll be delving into all the wonders it brings – from the blooming flowers to the chirping birds and the changing weather. We'll be engaging in various activities that celebrate the arrival of spring, such as planting seeds, creating colorful crafts inspired by nature, and going on nature walks to observe the changes happening around us. Additionally, April is also when we celebrate Earth Day, a time to focus on caring for our planet and appreciating the environment. Throughout the month, we'll be learning about the importance of environmental conservation, recycling, and ways we can all contribute to keeping our Earth healthy and beautiful for generations to come. We look forward to an enriching and educational month ahead!

### Parent-Teacher Conference

The second Parent Teacher Conference will be scheduled for Friday, April 26 and it will be in person. The conferences will be 10 minutes in length, but we will be scheduling them at 15 minutes intervals to provide time for transitioning. The schedule will be posted on the school door starting April 15. Please sign up with your child's name.

### Summer Program

The school year will end in June for all our children, no matter the program they are currently enrolled in. Starting July 2, we will offer an 8-week summer program. We strongly suggest you fill out the attached registration request form and submit it by April 12. The spots will be allocated based on the date the request was submitted.

## **Safety**

Once the weather is getting warmer, more people will start to ride their bicycles/ scooters. Please make sure your child is walking with you once he leaves the school and not running into the sidewalk.

## **Calendar correction**

On the school calendar, the Mother's Day concert was scheduled by mistake on Friday, May 3. The concert will take place on Friday, May 10. More details in the May newsletter.

## **Reminders**

- Pictures orders to be returned by Wednesday, April 3.
- No school on Friday, April 26 Conference Day
- Morning drops off time no later than 9:10. The school door will be closed after 9:15 am. For the children attending the full day, there will be another opportunity for drop off between 11:30 am and 12:30 pm. Please keep this in mind for future appointments scheduled in the morning.

Sincerely,

Ms. Feng, Ms. Joy, and Ms. Lisa
