

## Newsletter March 2024

### Topics of the Month

As we step into March, we're thrilled to dive into some exciting themes with your little ones! This month, we will be exploring spring, St. Patrick's Day, Easter, gardening, rainbows, and clovers. We will learn about how plants grow, celebrate special holidays, and discover the beauty of nature's colors. Our goal is to make learning engaging and enjoyable for your child as we embark on this adventure together.

### Picture Day

This year we will have our pictures taken on **Friday, March 15**. Children will have the opportunity to get the group picture and individual pictures as well. Please send your child dressed accordingly. Please send your child on time to school as individual and classroom pictures will be taken at the beginning of the session.

### Summer Program

The school year will end in June for all our children, no matter the program they are enrolled in. Starting July 2, we will be offering an 8-week summer program. The registration forms will be provided next month, with the April newsletter. **This year the spots are very limited, and they will be allocated on a first come, first-serve basis.**

### Reminders

- No school between **Monday, March 18 – Friday, March 22**. The school will be closed for the spring break.
- No school on Friday, **March 29** for Good Friday and **April 1** for Easter Monday.
- If your child is bringing home any items or toys from school, please use it as an opportunity to teach the importance of returning things that don't belong to him.

Sincerely,  
Ms. Feng, and Ms. Joy, and Ms. Lisa
