

April 2024 Newsletter

Dear Parents,

We hope everyone enjoyed their spring break. The teachers really enjoyed getting some bonus family time.

We have said our goodbyes to Miss Juhee with some tears and big hugs. We wish her all the best as she moves into her retirement.

We have also welcomed Miss Sharmala with a welcome circle on Thursday. We have already learned her favourite animals, colours, clothing, flower and more. We look forward to having her in our school and anticipate a gentle transition.

A big thank you to our parent volunteers who came with us to the Stanford Seniors Village. We are very grateful for your assistance in making such an impactful event possible. We are also really proud of the children for all of their efforts in making cards for the residents and delivering them with such thoughtfulness and kindness.

Study Topics

We will be moving on to learning about the continent of Asia. We welcome flags, artifacts, and any item of cultural significance to be included in show and tell. Our letter studies will continue with the letters K, L and M

Plant and Flower Program

We invite families who would like to participate in our plant program to sign up for a day to bring a potted plant or cut flowers to the classroom. Small plants that can be transplanted into our outdoor flower containers or our garden would also be an option at this time of year.

Observations

Observations will be as scheduled for Room 1 the week of April 22 to April 25. A sign up sheet will be posted 1 week prior. Observations for Room 2 will be determined after Miss Sharmala has had a chance to settle in with the children and the class.

Interviews

On Friday, April 26 there will be NO SCHOOL to allow for Parent Teacher Interviews for Room 1. A sign up sheet will be posted 1 week prior. Interviews for Room 2 will be scheduled at a later date and will be done over several afternoons to allow Miss Sharmala to get to know the children.

Garden Update

We are looking forward to working in the garden in the next few weeks and welcome any extra help to prepare our beds and tidy up the garden area. Please chat with one of the teachers if you would like to help.

Once again we would like to thank parents for your continued support.

Sincerely,
Miss Linda, Miss Evgeniia, Miss Ariel
Miss Sharmala, Miss Rita, Miss Eva
