

Newsletter May 2024

May topics

May brings us the joy of Mother's Day, a time to appreciate and honor the special mothers and mother figures in our lives. It's also a time when flowers bloom in vibrant colors, filling the air with their sweet fragrance. We are taking this opportunity to explore the beauty of flowers, teaching our little children about different types of flowers and their importance to our planet. Additionally, May is the perfect time to introduce our preschoolers to a variety of delicious fruits. From juicy strawberries to crisp apples, let's encourage our children to bring fresh fruits to taste and enjoy the wonderful flavors nature has to offer.

Mother's Day Celebration

Our Mother's Day concert is scheduled for Friday, **May 3 from 2:30 to 3:00 pm** and it will be held in the Church Hall (the building behind the church, next to the parking lot, entrance on Gray Ave). Please send your child wearing a festive outfit (no rain boots!). Morning children must be dropped off at 2:20 in the church hall, by the stage. All the children will be dismissed right after the concert.

Summer program

The registration for our summer program is closed. No new requests are accepted. For those families who submitted their request, you will receive a registration confirmation by the end of May.

Important Dates

1. Mother's Day concert on Friday, May 3 at 2:30 pm.
2. School closed for Victoria Day on Monday May 20.

Sincerely,

Ms. Feng, Ms. Joy, and Ms. Lisa
